

INTRODUCTORY DRIVING CONTRACT

Introductory Driving is for the beginner or someone that has never driven a motor vehicle. Course instruction is hands-on, behind the wheel, in a clearly marked Safe Driving School of the Piedmont vehicle. The student/teacher ratio is 1:1 to minimize distractions. This course does not provide a direct pathway to legally drive a motor vehicle in the Commonwealth of Virginia. This course does not provide a legal driver's license.

Introductory Driving does allow students to build driving hours as required for licensure to legally drive within the Commonwealth. Tuition is non-refundable unless the school or instructor is unable or unwilling to perform its part of the contract within 30 calendar days from the date agreed to in the contract.

- Fees to be paid upon registration.
- Students 17 years of age and under can be accompanied by a parent or legal guardian.
- Students will be notified in the event of cancellations. Rescheduling will be made at that time.
- Any missed classes/assignments must be made up in subsequent classes. There are no additional fees.
- Students must possess a valid Learner's permit and Green Card (Certificate of Completion) from a recognized high school program.
